REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art fails to teach a combination of all the limitations as claimed in the independent claim 1, wherein the claimed invention comprising a process of formation of a lens within a bank which demarcates predetermined region upon a substrate, using a lens material in the liquid state; and a process of distribution of functional material within said bank, as claimed in claim 1; and in the independent claim 11, wherein the claimed invention comprising a bank which demarcates a region upon a substrate in which functional material is distributed; and a lens which is disposed in said region which has been demarcated by said bank, and which is layered against said functional material, as claimed in claim 11. The prior art does not disclose or fairly suggest, by themselves or in combining with any other reference, to meet a combination of all the limitations as claimed in claim 1. Therefore claims 1-14 could be allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
